

## **MAcc Course Schedule Spring 2010**

### **Registration Guidelines**

#### **Credit Limits**

The credit limits for student registration are:

- Students working more than 20 hours a week can enroll in up to 6 credit hours
- Full-time students may enroll in 9 credit hours and not work more than 20 hours per week

#### **Holds**

Every student should go on MyDUSIS and confirm there isn't a "HOLD" on their student record. A hold is placed on a student's record if any financial, administrative or academic issue has not been dealt with appropriately. A hold on a student's record prevents the student from registering for class. If you discover a "hold" on your record, please communicate with the administrative office that placed the hold prior to registration.

#### **Enrollment Validation Policy**

All registered students are required to validate their enrollment by attending the first class meeting for each course on their schedule. Failure to attend the first class or to make prior arrangements with the professor may result in the student being dropped from that course.
